

PILGRIMAGE OF GRACE

THANK YOU!

Thank you for pilgriming with us this Lent! May God's grace continue to grow within each and every one of us, just as our seed sprouted and grew into a vibrant plant. We would love to see pictures of how your seed grew over this Lenten season! Please send them along to us to share.

Easter week:

- All registered pilgrims will receive their official **Pilgrim Certificate** that can be downloaded and printed. In addition, be sure to check out the Raffle video to see if you are a winner this year.
- Registered pilgrims will receive a simple questionnaire that will help us improve future virtual pilgrimages. Please take the time to answer – we value your feedback and wonderful ideas so that the grace of the Holy Land can be spread far and wide.
